1 <sup>st</sup> Prize	£6.00	Brenda Morton	No. 4
2 <sup>nd</sup> Prize	£4.00	Carole Gardner	No. 16

**FEBRUARY DRAW WILL TAKE PLACE ON MONDAY 6TH**

## CAPTAIN'S COMMENTS

From Sunday 12<sup>th</sup> to Saturday 18<sup>th</sup> February inclusive, we are having a whole week of Foursomes games. You can play as many times as you like during the week with as many different partners as you like. Please use half combined handicap with Stableford scoring and play over 18 holes. The couple with the best score will go forward to represent the Club in the Daily Mail Foursomes Competition. Please enter your names and date in the black competition book each time you go out and put your completed card in the ladies box. As this is kept behind the bar, please ask one of the staff to hand it to you. You can go out as a 2 when one can mark the card and the other sign the card as correct. Good luck ladies.

Our Coffee Morning is nearly with us. The tee times are filling up which is wonderful. There will be opportunity for members to play on the day, but please be aware that we will accommodate all the visitors first. I would appreciate your help on the day as there are various tasks to do.

Finally, here is a picture of our gallant team before they started their match against Killiow. They are all sporting some very natty readgear in the team colours. All designed to keep the ears warm. Lovely.

Brenda

No more could have been done by the five intrepid Porthpean players who took to the Course in Sunday's Daily Mail Foursomes. Battling against the most horrendous and gruelling weather conditions, these stalwarts put Killiow to an immense test. After four games, it was 2 all, as we awaited the final game. By this time, the excitement in the Clubhouse was at fever pitch. Even the "Sunday lunchers" joined in the fervour! It was some time before the final pair came into view – and what a battle was put up by our player, halving the 18<sup>th</sup> to take the match into "extra time". It took a further two holes to force a Killiow win. The result only goes to signify the strength, depth and determination we have in our current – and probably the best ever - Porthpean teams – and the support they have. Well done, girls! And well done the Caddies – "they also serve who only stand and wait" and they did a fair amount of that on Sunday!

*A Spectator*

## COFFEE MORNING - MONDAY 5th MARCH

We need your help with donations of Cakes, Brice a Brace, small items for the Tombola and Raffle Prizes. Please give generously!

Thank you.

Brenda

1. During a recent stroke-play event, Jack hit his ball into a fairway bunker, where it came to rest in front of a pine cone. Because the pine cone interfered with his backswing, Jack carefully removed the pine cone without causing his ball to move and then played from the bunker. The ruling is:  
a. It's OK to do what he did, there's no penalty.  
b. One stroke penalty c. Two stroke penalty d. Disqualification
  2. In the 2007 U.S. Women's Open, Christie Kerr was having difficulty with her alignment and asked her caddie to stand behind her to help her line up. Is her caddie permitted to stand behind her while she plays a stroke?  
a. Yes b. No
  3. Jack and Tom are playing as partners in a four-ball event. Tom has a long putt with a big break. Jack, using his putter, taps the spot on the green where he thinks Tom should aim. What's the ruling?  
a. No penalty b. 1 stroke penalty c. Disqualification d. 2 stroke penalty
  4. Tom notices sand and loose soil on his line of putt. While brushing the loose impediments out of the way, Tom presses down some blades of grass. In stroke play, the penalty is:  
a. No penalty, as long as the player re-brushes the grass so the blades are back in their original position. b. Loss of Hole c. One Stroke d. Two Strokes
  5. In the 1992 U.S. Open at Pebble Beach, Nick Faldo hit a ball into a tree and it never came down. Which of the following was NOT an option for Nick?  
a. Climb the tree and play the ball as it lies.  
b. If found, declare the ball unplayable, incurring a 1-stroke penalty and drop the ball no closer to the hole and within two club-lengths of the point on the ground directly beneath where the ball lay unplayable in the tree.  
c. Shake the tree until the ball comes down and then play the ball from its new position.  
d. Proceed under penalty of stroke-and-distance.
- 1: C. TWO-STROKE PENALTY 2: B. NO 3: D. TWO-STROKE PENALTY 4: D. TWO-STROKE PENALTY  
5: C. SHAKE THE TREE UNTIL THE BALL COMES DOWN AND THEN PLAY THE BALL FROM ITS NEW POSITION
